Residential Curbside Service with Three-Cart Recycling
CR&R is the exclusive hauler providing this service. CR&R maintains a three-cart recycling system – one cart for trash, one cart for commingled recyclables, and one cart for green waste. CR&R hosts seven (7) bulky item pick-up events times per year, for communities throughout the city.

Commercial Service with Recyclables Separated at a Material Recovery Facility (MRF)
CR&R is the exclusive hauler providing this service. CR&R hauls commingled commercial waste to a MRF where recyclables are separated and diverted from the landfill. Temporary bin service for large projects is available only for construction and demolition waste, and it is provided exclusively by CR&R.

Multi-Family Commercial Service with Recyclables Separated at a Material Recovery Facility (MRF)
CR&R is the exclusive hauler providing this service. CR&R diverts commingled multi-family waste to a MRF where recyclables are separated and diverted from the landfill.

Electronic Waste (E-Waste)
CR&R provides E-Waste curbside pick-up service for residents all year round. The City also refers residents to the Irvine Household Hazardous Waste Collection Center (HHWCC) and the San Juan Capistrano HHWCC for drop off of E-Waste.

Universal Waste (U-Waste)
CR&R provides U-Waste curbside pick-up service for residents all year round. The City also refers residents to the Irvine Household Hazardous Waste Collection Center (HHWCC) and the San Juan Capistrano HHWCC for drop off of U-Waste that contained hazardous materials.

Household Hazardous Waste (HHW)
CR&R provides limited HHW curbside pick-up service for residents all year round. City also refers residents to the Irvine Household Hazardous Waste Collection Center (HHWCC) and the San Juan Capistrano HHWCC for drop off of HHW that is not included in the City's program.

Medical Waste
CR&R provides Sharps curbside pick-up service for residents all year round. The City also participates in the Sharps by Mail program, working with CVS Pharmacy to inform residents of Senate Bill 1305 and promote the program.

Community-Specific or Other Recycling Program
No additional community-specific or other recycling programs are provided.

Programs
A total of $1,715,739 was given to Orange County jurisdictions to develop and implement regional recycling programs. As a recipient of Orange County grants, Aliso Viejo is reducing waste that would end up in local landfills with a Commercial Food Waste Diversion Program where food will be composted.
