

## Traffic Signal Installation: Oso Parkway at Coto de Caza Drive/Bend Road

**INSTALLATION OF SIGNAL POLES AND LIGHTS TO BEGIN**  
Upcoming change in intersection traffic management. Existing "STOP" signs to be replaced with new traffic signal system.

### **i** WHAT

#### Completed activities:

- Underground utility work and installation of new fiber optic conduit (OC Public Works' Traffic Management Center remote monitoring system)
- Asphalt/concrete restoration; curb ramp upgrades

#### Upcoming activities:

- **March 11—15, 2024:** Minor utility work
- **March 15—early May, 2024:** Installation of traffic signal pole foundations, poles, signal lights and associated equipment; Painting of road striping and installation of traffic signs. **Traffic signal lights expected to begin operating as early as April 2024**

#### Attention: Be prepared for temporary closures!

- **Intermittent lane closures** to accommodate installation of traffic signal poles, signal lights and equipment
- **Temporary sidewalk closures** are expected in the project area, yet sidewalks will re-open daily at the conclusion of work. Please use other available sidewalk during closures
- **Access will remain open** to/from adjacent residential communities
- **Please observe all project safety signs and barriers** when traveling near project work areas

### **📅** WHEN
