**A lucky family will find a treasure of love when they adopt sweet Harlow (A1372455). She is a gentle and shy girl who is waiting for her perfect match. Harlow's previous owners said she was great with children and other pets. She would probably do best in a home with a pet that is mellow and calm like she is. She walks well on a leash and knows how to sit already. Harlow is a volunteer and staff favorite because of her gentle and friendly nature. Please help her find the forever family she deserves!**
