

Weather Advisory High Winds Watch in effect until Thursday afternoon

The National Weather Service has issued an advisory for high winds to include Coastal Orange County.

Beginning tonight and continuing into Thursday afternoon the National Weather Service reports that damaging wind gusts over 60 mph are possible, and recommends that you continue to monitor the latest forecasts for updates on weather conditions.

For current weather conditions or additional information, please visit the National Oceanic and Atmospheric Administration online at: www.NOAA.gov or call (858) 675-8700.
