VII. RAMON PERALTA ADOBE AND HISTORIC YORBA CEMETERY TOUR

The Ramon Peralta Adobe is located on land that once was part of the Rancho Santiago de Santa Ana. Currently, the Adobe contains a small museum featuring the history of the Santa Ana Canyon from the first Spanish explorers to the area in 1769 to the present. Located in the neighborhood Woodgate Park, the Yorba Cemetery is one of the oldest cemeteries in Orange County. Established on land originally part of Bernardo Yorba's 13,000-acre Rancho Cañon de Santa Ana, many of the descendants of pioneering rancho-era families were buried at this cemetery from 1860 until the cemetery's closure in 1939.

Both sites are currently undergoing minor improvements, such as additions of unique pieces at the Peralta Adobe and the fixing of the lambs' heads on some grave markers at the Cemetery.
