## Beach Stair Cage Replacement Dana Point Harbor (near the Ocean Institute)

### Project Summary

Install a new chain-link stair cage around the beach stairs near the Ocean Institute within the City of Dana Point. This work will maintain a safe access point to the beach.

### WHAT

- Removal of existing chain-link stair cage at the beach entrance at the northwest end of Dana Point Harbor, near the Ocean Institute.
- Installation of new aluminum coated chain-link stair cage, maintaining the same height and size of the previous stair cage.

### WHEN

March 9–27, 2026

### Work Schedule

Monday – Friday, 7 a.m. – 5 p.m.

Working hours and schedule will vary due to tides, inclement weather, ocean conditions and other factors.

### BEACH STAIRWAY ACCESS CLOSURE

Beach stairway access will be closed for the duration of the project.

### BACKGROUND

The California Coastal Commission has issued Coastal Development Permit De Minimus Waiver 5-25-0426-W for the project.
