## Aliso and Wood Canyons Wilderness Park

Situated in the coastal foothills and canyons east of Laguna Beach, Aliso and Wood Canyons Wilderness Park provides a large open space buffer between the cities of Laguna Beach, Laguna Niguel and Aliso Viejo. A trail system following the park's canyons, hillsides and ridgelines enables ready access to the park's diverse natural features and its dramatic coastal and mountain viewpoints.

Location	Primary Activities
In south Orange County partially within the cities of Laguna Beach, Laguna Niguel, Aliso Viejo and Laguna Hills (Fifth Supervisorial District)	<ul style="list-style-type: none"> <li>• Hike</li> <li>• Mountain Bike</li> <li>• Study nature</li> <li>• Ride horses</li> </ul>
Size	
3,302 acres	

### Recreation Features

- Over 30 miles of riding and hiking trails, many leading to scenic viewpoints of the park, the Santa Ana Mountains and the Pacific Ocean
- Orange County Natural History Museum – small exhibit space located at Alicia Parkway entrance

### Natural Features

- Extensive variety of native habitat and wildlife
- Aliso Wood and Mathis canyons – “Old Corral” area, Old Sycamore Grove, Cave Rock, Dripping Cave
- Aliso Creek
- Pectin Reef – paleontological area

### Special Events/Unique Activities

- Ranger and docent-lead nature hikes

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)
124,692	\$425,307	\$34,812

### Park-involved Organizations

- Orange County Natural History Foundation
- The Nature Conservancy
- SHARE Mountain Bike Club

# Aliso & Wood Canyons Wilderness Park

## Carbon Canyon Regional Park

An urban park nestled in the Chino Hills along Carbon Creek, Carbon Canyon Regional Park has both traditional park features, such as turf and picnic areas, ball fields and playgrounds and a lake, and a natural area along the south side of the creek and behind Carbon Canyon Dam. A trail in the natural area leads to the only stand of redwood trees in Orange County.

Location	Primary Activities
In north Orange County within the City of Brea and unincorporated County territory (Third Supervisorial District)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Walk</li> <li>• Hike</li> <li>• Bicycle</li> <li>• Fish</li> <li>• Study nature</li> <li>• Ride horses</li> <li>• Participate in sports</li> </ul>
Size	
124 acres	

### Recreation Features

- Picnic shelters: 10 small/2 large
- Sport areas: 2 ball fields/3 volleyball courts/8 tennis courts
- Playgrounds: 5
- 4-acre fishing lake
- Nature trail

### Natural Features

- Carbon Creek
- Redwood grove

### Special Events/Unique Activities

- Dog shows
- High school cross country meets

## Caspers Wilderness Park

Situated in the Santa Ana Mountains adjacent to Cleveland National Forest, Ronald W. Caspers Wilderness Park – Orange County’s largest park – was carved out of south County’s historic O’Neill Ranch. Its spectacularly varied topography, vegetation and wildlife are readily accessible via an extensive trail system.

Location	Primary Activities
In south Orange County within unincorporated County territory (Fifth Supervisorial District)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Hike</li> <li>• Mountain Bike</li> <li>• Ride horses</li> <li>• Study nature</li> <li>• Camp</li> </ul>
Size	
7,598 acres	

### Recreation Features

- Over 35 miles of riding and hiking trails, many leading to scenic viewpoints of the park and the Santa Ana Mountains
- Tent, RV, Group and equestrian camping
- Picnic areas/playground
- Nature Center

### Natural Features

- Diverse native habitat and wildlife
- Bell Canyon
- East and West Ridges
- San Juan Hot Springs
- Adjacent Starr Ranch – operated by Audubon Society

### Special Events/Unique Activities

- Ranger and docent-lead nature hikes and trail rides
- Campfire Programs

## Clark Regional Park

An urban park, Ralph B. Clark Regional Park offers a wide variety of recreational activities framed by the dramatic backdrop of the Coyote Hills. Clark has both traditional park features, such as turf and picnic areas, ball fields and playgrounds and a lake, and a natural area of small hills with trails leading to spectacular San Gabriel Mountain views. The Coyote Hills rich fossil record is showcased in the park's interpretive center.

Location	Primary Activities
In north Orange County within the cities of Buena Park and Fullerton (Fourth Supervisorial District)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Walk</li> <li>• Hike</li> <li>• Bicycle</li> <li>• Fish</li> <li>• Participate in sports</li> <li>• Study nature</li> <li>• Paleontology</li> </ul>
Size	
104 acres	

### Recreation Features

- Picnic shelters: 7
- Sport areas: 3 softball fields/1 baseball field/2 volleyball courts/4 tennis courts
- Playgrounds: 3
- 3-acre fishing lake
- Perimeter trail
- Clark Interpretive Center – showcasing the pre-history of an area abundant with fossils
- **Leased Area:** Southern California Softball Association (23 acres) - 5 ball fields; Hawks Point Picnic Shelter

### Natural Features

- Coyote Hills backdrop
- Elephant and Camel Hills – with hiking trails

### Special Events/Unique Activities

- College Earth Science classes
- High School cross country meets
- Family Fossil Days
- Fly Fishing Classes

## Craig Regional Park

An urban park located behind the Fullerton Dam, Ted Craig Regional Park offers a green oasis within heavily urbanized sections of the cities of Brea and Fullerton. The park provides a full range of traditional park features such as turf and picnic areas, ball fields, playgrounds and a lake in an area of gently rolling terrain.

Location	Primary Activities
In north Orange County within the boundaries of the city of Fullerton and Brea (Third and Fourth Supervisorial Districts)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Walk</li> <li>• Hike</li> <li>• Bicycle</li> <li>• Fish</li> <li>• Participate in sports</li> </ul>
Size	
129 acres	

### Recreation Features

- Picnic shelters: 8 small/1 large
- Sport areas: 4 ball fields/2 volleyball courts/4 racquetball
- Playgrounds: 3
- 3-acre fishing lake
- Rose Garden

### Natural Features

- Trail area immediately north of dam

### Special Events/Unique Activities

- High school cross country meets
- Jr. Diabetes Walk-A-Thon
- Dog shows
- Children day camps

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)
290,330	\$1,373,427	\$213,091

### Park-involved Organizations

- Orange County Conservation Corps
- Boy Scouts of America Troop #1201
- CA Bluebird Recovery Program
- CA Native Plant Society

## Featherly Regional Park

A natural park, Featherly Regional Park surrounds a non-channelized section of the Santa Ana River located between the 91 Freeway and La Palma Avenue. Most of the park consists of riparian habitat within the Santa Ana River floodplain; a portion adjacent to the Gypsum Canyon Road bridge is developed as an RV park.

Location	Primary Activities
In north Orange County within the City of Yorba Linda (Third Supervisorial District)	<ul style="list-style-type: none"> <li>• Camp</li> <li>• Picnic</li> <li>• Bicycle</li> <li>• Hike</li> <li>• Ride horses</li> <li>• Study nature</li> </ul>
Size	
364 acres	

### Recreation Features

- Santa Ana River Trail
- Ropes course
- Swimming pool
- **Leased Area:** Canyon Recreation Vehicle Park (63 acres)

### Natural Features

- Santa Ana River

### Special Events/Unique Activities

- Dog shows
- Car shows

## Irvine Regional Park

Irvine Regional Park, the first County Park in California, offers a wide variety of recreational activities within the scenic foothills of the Santa Ana Mountains. A natural park, Irvine has both traditional park features, such as turf and picnic areas, ball fields and playgrounds and a lake, and unique ones such as the Orange County Zoo and the Irvine Park Railroad. Additionally, natural areas surrounding the traditional park include an extensive trail system with a number of spectacular viewpoints.

Location	Primary Activities	
In north Orange County within unincorporated County territory adjacent to the eastern boundary of the City of Orange (Third Supervisorial District)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Walk</li> <li>• Hike</li> <li>• Bicycle</li> <li>• Fish</li> </ul>	<ul style="list-style-type: none"> <li>• Mountain Bike</li> <li>• Study nature</li> <li>• Participate in sports</li> <li>• Ride horses</li> </ul>
<b>Size</b>		
474 acres		

### Recreation Features

- Picnic shelters: 4 large
- Sport areas: 4 ball fields
- Playgrounds: 5
- 2.2-acre fishing lake
- Orange County Zoo
- Harding Nature Trail
- Nature Center
- **Leased Areas:** The Irvine Park Railroad (5 acres); Peacock Hill Stables (10 acres); Boat/Bicycle Rentals and Snack Bar (building only)
- **Licensed Areas:** Rawhide Ponies (1 acre); Green Meadows Farm (5 acres)

### Natural Features

- Santiago Creek
- Ridgelines provide backdrop to developed portion of park via a network of riding and hiking trails
- West of the developed section of the park is a large natural area with diverse native habitat and wildlife and trail connections to adjacent Santiago Oaks Regional Park

### Special Events/Unique Activities

- Police/Sheriff training programs
- Dog Shows
- "Inside the Outdoors" Education Program
- High school and community college cross country meets

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)

## Laguna Coast Wilderness Park

Situated in the San Joaquin Hills north of Laguna Beach, Laguna Coast Wilderness Park offers spectacular coastal and mountain views amidst native habitat and wildlife, all readily accessible via an extensive trail system.

Location	Primary Activities
In south Orange County within the cities of Laguna Beach, Newport Beach and Irvine (Fifth Supervisorial District)	<ul style="list-style-type: none"> <li>• Hike</li> <li>• Mountain Bike</li> <li>• Study nature</li> <li>• Ride horses</li> </ul>
Size	
6,063 acres	

### Recreation Features

- Over 30 miles of riding and hiking trails, many leading to scenic overlooks of the park and the Pacific Ocean

### Natural Features

- Diverse native habitat and wildlife
- Only natural lakes in Orange County
- Year-round waterfall in Laurel Canyon
- Extensive variety of native habitat and wildlife

### Special Events/Unique Activities

- Ranger and docent-lead nature hikes and trail rides
- Trail management by wilderness-access volunteers
- Monthly stewardship days
- Laguna Greenbelt-sponsored native plant nursery

Estimated Annual Attendance (Calendar Years – 2003/2004)	Expenses (Fiscal Year 04/05)	Revenues (Fiscal Year 04/05)
14,000 – 17,000	\$500,000	\$16,000 – Operations \$24,000 – Lease

## Laguna Niguel Regional Park

An urban park, Laguna Niguel Regional Park surrounds Sulphur Creek Dam and Reservoir and provides both a green and a watery oasis for the adjacent urbanized sections of the cities of Laguna Niguel and Aliso Viejo. The park offers many traditional park features such as turf fields, picnic areas and playgrounds amidst gently rolling terrain and two unique recreational features: a commercial fishing concession and the Kite Hill remote-controlled model airplane field.

Location	Primary Activities
In south Orange County within the City of Laguna Niguel (Fifth Supervisorial District)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Walk</li> <li>• Hike</li> <li>• Bicycle</li> <li>• Fish</li> <li>• Participate in sports</li> </ul>
Size	
227 acres	

### Recreation Features

- Picnic shelters: 12 small/2 large
- Sport areas: 2 volleyball courts/4 tennis courts
- Playgrounds: 2
- Kite Hill remote-controlled model airplane field
- Over 3 miles of riding and hiking trails
- **Leased Area:** Lake Fishing Concession (47 acres – reservoir, shoreline and store)

### Natural Features

- Sulphur Creek Reservoir
- Sulphur Creek
- Kite Hill

### Special Events/Unique Activities

- 4<sup>th</sup> of July fireworks show
- High school cross country meets

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)

## Limestone Canyon & Whiting Ranch Wilderness Park

Situated in the foothills of the Santa Ana Mountains adjacent to Cleveland National Forest, Limestone Canyon and Whiting Ranch Wilderness Park offers a spectacular setting of canyons and mountains framed by Saddleback Peak. The park's many natural features and diverse habitats and wildlife are readily accessible by an extensive trail system that leads to numerous dramatic viewpoints of the park and south Orange County.

Location	Primary Activities
In south Orange County partially within the City of Lake Forest and unincorporated County territory (Third and Fifth Supervisorial Districts)	<ul style="list-style-type: none"> <li>• Hike</li> <li>• Mountain Bike</li> <li>• Study nature</li> <li>• Ride horses</li> </ul>
Size	
4,942 acres	

### Recreation Features

- Over 35 miles of riding and hiking trails, many leading to scenic overlooks of the park, central Orange County and the Santa Ana Mountains
- Historic McFadden Ranch House Interpretive Center
- **Licensed Area** – Santiago Equestrian Center (10 acres) with horse boarding and training

### Natural Features

- Diverse native habitat and wildlife
- Red Rock Canyon
- The Sinks

### Special Events/Unique Activities

- Ranger and docent-lead nature hikes and trail rides
- Mountain Bike Safety Awareness Day

Estimated Annual Attendance (Calendar Years – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)
49,824	\$477,887	\$34,118

### Park-involved Organizations

- The Nature Conservancy
- SHARE Mountain Bike Club
- Boy Scouts - O.C. Council

## Mason Regional Park

An urban park, William R. Mason Regional Park is a three-mile long stretch of both greenery and natural open space adjacent University Drive in the City of Irvine. A mile-long habitat-restoration area is located between a large developed park with turf fields, picnic areas, playgrounds and a lake and Strawberry Farms Golf Club.

Location	Primary Activities
In central Orange County within the City of Irvine (Third Supervisorial District)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Walk</li> <li>• Bicycle</li> <li>• Fish</li> <li>• Study nature</li> <li>• Participate in sports</li> </ul>
Size	
339 acres	

### Recreation Features

- Picnic shelters: 4 small/2 large
- Sport areas: 1 ball field/3 volleyball courts
- Playgrounds: 4
- 9 acre fishing lake
- **Leased Area:** Strawberry Farms Golf Club (70 acres of park property; 100 acres of adjacent Irvine Ranch Water District property) – 18-hole regulation course with driving range, clubhouse and banquet facility

### Natural Features

- Between Culver and Ridgeline Drives, 70 acres of primarily native vegetation, such as coastal sage and mulefat scrub

### Special Events/Unique Activities

- Persian New Year's Celebration
- High school cross country meets

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)
346,693	\$1,699,227	\$619,392

## Mile Square Regional Park

An urban park, Mile Square Regional Park is a diverse blend of recreational features encompassing a traditional County regional park, three golf courses and the Fountain Valley Recreation Center.

Location	Primary Activities
In west Orange County within the City of Fountain Valley (Second Supervisorial District)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Walk</li> <li>• Bicycle</li> <li>• Fish</li> <li>• Study nature</li> <li>• Participate in sports</li> </ul>
Size	
607 acres	

### Recreation Features

- Picnic shelters: 30 small/3 large
- Sport areas: 4 softball fields/2 baseball fields/2 soccer fields
- Playgrounds: 3
- 3-acre and 4-acre fishing lakes
- 4-mile perimeter path
- Archery range
- Bicycle and boat rentals (licensee-operated)
- **Leased Area:** Fountain Valley Recreation and Cultural Center (55 acres developed, 23 undeveloped) – community center, Boys and Girls Club, ball fields and basketball and tennis courts. An expansion into the 23 undeveloped acres is anticipated within the next five years.
- **Leased Area:** Mile Square Golf Course (250 acres) – two regulation 18-hole courses, driving range and large clubhouse with banquet facility.
- **Leased Area:** David L. Baker Memorial Golf Course (62 acres) – executive 18-hole course, driving range and small clubhouse.

### Natural Features

- 22-acre nature area

### Special Events/Unique Activities (County Regional Park only)

- Youth baseball and adult softball and soccer leagues
- High School cross country meets
- Archery competitions
- Special Olympic competitions

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)

## O'Neill Regional Park

A natural park surrounding Arroyo Trabuco in the foothills of the Santa Ana Mountains, O'Neill Regional Park has a developed section within the rural community of Trabuco Canyon that includes picnic and camping areas and a nature center. The park is mostly comprised of natural areas adjacent to Arroyo Trabuco and Tijeras Creek that provide an open space buffer between the cities of Mission Viejo and Rancho Santa Margarita.

Location	Primary Activities
In south Orange County within the City of Rancho Santa Margarita and unincorporated County territory (Third and Fifth Supervisorial Districts)	<ul style="list-style-type: none"> <li>• Camp</li> <li>• Hike</li> <li>• Ride Horses</li> <li>• Study nature</li> </ul>
Size	
3,321 acres	

### Recreation Features

- Over 22 miles of riding and hiking trails, many leading to scenic overlooks of the park and the Santa Ana Mountains
- Picnic areas/playgrounds
- Tent, RV and equestrian camping
- Nature Center

### Natural Features

- Extensive variety of native habitat and wildlife
- Arroyo Trabuco

### Special Events/Unique Activities

- Ranger and docent-lead nature hikes

## Peters Canyon Regional Park

A natural park surrounding Peters Canyon Reservoir and Peters Canyon Creek, Peters Canyon Regional Park is an island of open space between the communities of Santiago Hills, Cowan and Lemon Heights and Jamboree Road. With its large reservoir, two-mile long canyon and steep ridgelines, the park has a trail system which offers both convenient and challenging access to hikers, runners, mountain bikers and equestrians and leads to a number of spectacular viewpoints.

Location	Primary Activities
In north Orange County within the cities of Orange and Tustin (Third Supervisorial District)	<ul style="list-style-type: none"> <li>• Picnic</li> <li>• Hike</li> <li>• Mountain Bike</li> <li>• Study nature</li> <li>• Ride horses</li> </ul>
Size	
340 acres	

### Recreation Features

- Over 9 miles of riding and hiking trails, many leading to scenic overlooks of the park, central Orange County and the San Gabriel Mountains
- Canyon nature trail
- Picnic area

### Natural Features

- Extensive variety of native habitat and wildlife
- 55-acre reservoir serving both resident and migratory birds
- Peters Canyon Wash
- Prominent East Ridge

### Special Events/Unique Activities

- Ranger-lead nature hikes
- Habitat-restoration programs

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)
37,677	\$266,007	\$19,211

## Riley Wilderness Park

Carved out of south County's historic O'Neill Ranch, General Thomas Riley Wilderness Park surrounds Wagon Wheel Canyon amidst rolling hills. The park's network of trails provides access to diverse habitats and wildlife and leads to spectacular viewpoints of south Orange County and the Santa Ana Mountains.

Location	Primary Activities
In south Orange County within unincorporated County territory (Fifth Supervisorial District)	<ul style="list-style-type: none"> <li>• Picnic</li> <li>• Hike</li> <li>• Mountain Bike</li> <li>• Study nature</li> <li>• Ride horses</li> </ul>
Size	
544 acres	

### Recreation Features

- Over 5 miles of riding and hiking trails, many leading to scenic overlooks of the park and the Santa Ana Mountains
- Equestrian staging area

### Natural Features

- Diverse native habitat and wildlife
- Wagon Wheel Creek
- Butterfly Garden

### Special Events/Unique Activities

- Ranger and docent-lead nature hikes and trail rides

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)
11,494	\$264,441	\$5,886

## Santiago Oaks Regional Park

A natural park encompassing both the Peralta Hills and Santiago Creek, Santiago Oaks Regional Park is an island of open space between the communities of Serrano Heights, Anaheim Hills and Orange Park Acres. Santiago Oaks includes traditional park features such as picnic and play areas and a Nature Center, along with an extensive trail system in the surrounding hills and a number of spectacular ridgeline viewpoints.

Location	Primary Activities
In north Orange County within the City of Orange (Third Supervisorial District)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Hike</li> <li>• Mountain Bike</li> <li>• Study nature</li> <li>• Ride horses</li> </ul>
Size	
928 acres	

### Recreation Features

- Picnic area
- Playground
- Nature Center
- Nature trails
- Historic Dam
- Over 26 miles of riding and hiking trails with viewpoints of central Orange County and connections to Irvine Regional Park and the Anaheim Hills Trail System

### Natural Features

- Santiago Creek
- Surrounding ridgelines

### Special Events/Unique Activities

- Conference Center
- Wedding Gardens
- Ranger-lead nature hikes

## Talbert Nature Preserve

Situated along the channelized Santa Ana River near its outlet at the Pacific Ocean, the Talbert Nature Preserve is a recreation of six different plant groups, or “zones”, reflecting changing habitat conditions along the Santa Ana River.

Location	Primary Activities
In central Orange County within the City of Costa Mesa (Second Supervisorial District)	<ul style="list-style-type: none"> <li>• Play</li> <li>• Picnic</li> <li>• Walk</li> <li>• Bicycle</li> <li>• Study nature</li> </ul>
Size	
182 acres	

### Key Features

- Six separate plant groups, or “zones”: Intensive Use, Border Planting, Coastal Strand, Native Grassland, Alluvial Woodland and Wetland
- Interpretive signage
- Small traditional park with turf and picnic area

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)
20,000 – 24,000	\$100,000	0

## Upper Newport Bay Nature Preserve

Situated mostly on the northern bluffs above the State's 750-acre Upper Newport Bay Ecological Reserve, the County's Nature Preserve is a window for enjoying the unique natural resources of Upper Newport Bay. Consisting primarily of grasslands and coastal sage scrub, the preserve includes the dramatically-sited Muth Interpretive Center and a system of trails along the bluffs, both designed to enhance the visitor's appreciation of one of the largest coastal wetlands in Southern California and one of the finest bird watching locations in North America. A portion of the Nature Preserve is situated along the southern bluffs and includes a section of scenic Back Bay Drive.

Location	Primary Activities
In central Orange County within the City of Newport Beach - (Second Supervisorial District)	<ul style="list-style-type: none"> <li>• Hike</li> <li>• Mountain Bike</li> <li>• Study nature</li> </ul>
Size	
136 acres	

### Key Features

- Peter and Mary Muth Interpretive Center – multi-media nature exhibits/scenic overlook
- Varied interpretive programs - bird watching, nature walks, canoe and kayak tours, campfire programs, night hikes, bike tours, fly fishing classes, K-3rd grade school tours
- Special events: Earth Day, Free Fish Day, Cleanup Day, Habitat Restoration Days, and Arbor Day
- Volunteer Naturalist Training Program
- Regular meeting location for the County Harbors, Beaches and Parks Commission

Estimated Annual Attendance (Calendar Year – 2006)	Expenses (Fiscal Year 05/06)	Revenues (Fiscal Year 05/06)
115,042	\$891,903	\$22,977
